MEMORANDUM FOR: A/DDP, A/DDI, A/DDR, A/DDS

1. The DCI is interested in getting a list of points in the Agency that he might visit for a 15- or 20-minute period. He does not want to pay such visits to an "office" where he would get a verbal briefing. His primary interest is in visiting locations where there is something to see.

2. Good possibilities would seem to include: an appropriate area of TSD; the FBIS wire room; some area of OCR; the DPD control room; the Cable Secretariat and Signals Center; Cafeteria; Dispensary; and perhaps There doubtless are other possibilities.

STAT

3. Will you please give me your recommendations on this by Monday, 4 June. The list should include room numbers and notations on how much lead time would be expected prior to a DCI visit. They would probably take on short notice.
